Roadmap: closing a UAE company

The usual stages, in order. Your authority can change the order or add steps.

1. Review

- [ ] Check the licence status and the authority that governs the company
- [ ] Gather the company documents and the shareholders' details
- [ ] List visas, bank accounts, tax registrations and unpaid amounts

2. Settle

- [ ] Cancel the visas issued under the company
- [ ] Close the corporate bank account
- [ ] Close the tax registrations (corporate tax, VAT)

3. File and follow up

- [ ] Submit the closure file to the authority
- [ ] Answer the authority's requests and obtain its clearance
- [ ] Receive the cancellation certificate

> This roadmap is illustrative and is not legal advice. The steps and their order depend on your authority and your situation. A case review confirms what applies to your company.
